

Tonic

Collection

Awarded the Red Dot Design Award, Tonic's beautiful design is compatible with any style of decor. Its contemporary elegance is matched with simple Scandinavian style. With the ergonomic curves of the faucet handles, an intuitive human-centric connection is forged with the user.

reddot design award

ACHIM POHL & TOMAS FIEGL

Our Tonic, Moments & IDS Collections earned these famous designers the prestigious Red Dot Product Design Award. The duo aim to create products that are 'part of a whole'. This means creating designs that are well balanced between form and function, transcending cultural boundaries to be appreciated by all.
